

**REMARKS**

Claims 1-15 are pending in the subject application. Claims 16-22 are canceled without prejudice to submitting them in a continuation application. The specification has been amended to correct the typographical errors noted by the Examiner. No new matter has been entered.

Applicant wishes to thank the Examiner for the indication of allowability with respect to claims 1-15. The application is now believed to be in condition for allowance, early notice of which will be appreciated. Should the Examiner have any other concerns regarding the patentability of the claims, he is respectfully requested to contact applicant's representative at the telephone number listed below.

No fees are believed to be due with this Amendment. Should any fees be required, they may be withdrawn from deposit account 501432.

Respectfully submitted,

Date: February 8, 2007
